

Fall Native Plant Sale

Saturday, October 2, 2010

9:00 AM to 4:00 PM

South Coast Botanic Garden

26300 Crenshaw Boulevard

This year's sale will include plants from the Palos Verdes Peninsula Land Conservancy's nursery where over 60,000 native plants are raised each year for local restoration projects. There will also be several plants not seen in the past such as *Crossosoma*, *Gutierrezia*, *Lycium*, and *Coreopsis*.
