The Honorable Tom Long
Mayor
City of Rancho Palos Verdes
30940 Hawthorne Boulevard
Rancho Palos Verdes, CA 90275

Dear Mayor Long,

In September, 2008, the members of the City Council voted to authorize the Annenberg Foundation to begin the entitlement process for the proposed Discovery Park at Lower Point Vicente.

Subsequent to Council action the project evolved and improved in response to continuous community feedback and participation. Notwithstanding the positive developments and sound progress, unforeseen delays this past year and changed circumstances related to entitlements compel the Foundation to withdraw its application.

I want to thank you for your interest in the project and for the professionalism of your key planning staff, namely Ara Mihranian and Joel Rojas – these two gentlemen, in particular, exemplify the best of Rancho Palos Verdes.

On behalf of Wallis Annenberg and our colleagues at the Annenberg Foundation, we wish the City the very best on its future endeavors.

Sincerely,

Leonard J. Xube
