

Additional Street Sweeping After Roadwork Construction

There will be a final street sweeping service performed on Monday, October 4, 2010 and Tuesday, October 5, 2010 on the residential streets that have been recently resurfaced. This street sweeping will be performed by the paving contractor and is in addition to the normal monthly scheduled sweeping for residential areas in the City. Temporary No Parking signs will be posted on these streets restricting parking between the hours of 7am to 4pm. One side of each street will be swept on Monday and the other side on Tuesday. Please follow the dates shown on the posted signs to see which side of the street parking is restricted on each day. Your adherence to these parking restrictions will enable a more thorough sweep of the streets to remove any remaining gravel, debris, etc., in the streets and gutters as a result of the recent construction work. Please contact the Public Works Department at 310-544-5252 with any questions. A map of the areas to be swept is attached for reference.

 : STREET SWEEPING MONDAY, OCT. 4, 7:00 - 4:00

 : STREET SWEEPING TUESDAY, OCT. 5, 7:00 - 4:00
