

NOTICE OF ROAD CONSTRUCTION

Dear Resident:

We understand that there have been concerns with the appearance of the newly applied slurry seal on your street. Sully-Miller is committed to delivering a product that satisfies your expectations. To remediate these cosmetic issues, we will be performing repair work on your street. You will have limited access to your street during our slurry seal repair operations. The work on your street will correspond with the dates below, barring unforeseen circumstances or adverse weather conditions:

Date of slurry seal construction: _____

While road construction is being completed, please remember:

- Slurry Seal: Access is restricted between 7:00 AM to 5:00 PM, when slurry seal is being applied to allow for application and cure time. The areas being slurry sealed cannot be driven on during this time and will be closed to traffic. Street parking is not allowed and signs will be posted accordingly at least 48 hours in advance of no parking enforcement. Please adhere to the parking restrictions posted.
- When access is restricted, detours will be set up to help you reach your destination
- Parking will be available within a reasonable distance to your house

Sully-Miller Contracting Company is committed to working with you to help alleviate the impact of the construction on your daily activities. Every effort will be made to minimize any inconveniences to you.

If you have any questions, please feel free to call:
