

EDCO'S SPRING 2012 CITY-WIDE BRUSH CLEARING EVENT

Plan ahead for the City's Spring Brush Clearing Event. The goal of the event is to assist homeowners' dispose (free of charge) excess brush, shrubs, hedges, tree branches, and bushes in order to comply with the Fire Marshal rules. This event is especially helpful for large and/or canyon properties, and homes with trees in need of trimming.

The green waste can be in tied bundles, in EDCO carts, and/or in other personal cans. Greens placed in plastic bags will be accepted, however discouraged due to possible contamination issues. EDCO will recycle the collected green waste.

This free event is in addition to the regularly scheduled weekly green waste collection. The event starts in mid April for five consecutive Saturdays, concentrating each week on a different area in RPV depending on their regular collection day. Listed below are scheduled collection dates:
